A Legacy of Excellence in Titanium Fastening Solutions

Since its inception, **Shen Zhen Long Hung Titanium Ltd.** has specialized exclusively in the design, manufacturing, and supply of premium titanium fasteners, including bolts, screws, nuts, studs, and custom fastening systems. Today, the company is recognized among [titanium fastener manufacturers](#) worldwide for its consistent product quality, material integrity, and engineering support services.

Why Long Hung Stands Out Among Titanium Fastener Manufacturers?

- **Material integrity and traceability** – Every lot of titanium alloy is tested and certified using modern spectrometry and ultrasonic inspection to ensure properties like strength, ductility, and metallurgical purity.
- **International-grade quality systems** – Long Hung operates under ISO 9001 and aerospace industry standards, ensuring full process control from procurement to finishing.
- **Advanced machining and surface treatment** – The company utilizes CNC multi-axis equipment, cold heading, and finishing processes, including passivation and anodizing, to deliver fasteners with optimal tolerances.

Strategic Growth & Global Reach

With a diversified customer base spanning North America, Europe, Southeast Asia, and the Middle East, Shen Zhen Long Hung Titanium Ltd. continues to bolster its export capabilities. The company's outreach into aerospace repair organizations, offshore energy developers, and high-end industrial OEMs has underscored the growing demand for high-spec titanium hardware that balances strength, weight, and corrosion resistance.

About Shen Zhen Long Hung Titanium Ltd.

[Shen Zhen Long Hung Titanium Ltd.](http://www.longhungti.com) is a full-service provider of titanium fasteners and allied precision components. As one of the foremost [Titanium Fastener Manufacturers](#), the company emphasizes material quality, state-of-the-art production, and stringent quality assurance to deliver fasteners that perform reliably in harsh environments.
