The IGET Legend Blackberry Ice is a premium disposable vape that has quickly become a favorite among vape enthusiasts. Known for its robust flavor profile and superior quality, this vape offers a smooth and satisfying experience. Here are the key features that make the [IGET Legend Blackberry Ice](#) stand out:

## Exceptional Flavour:

The IGET Legend Blackberry Ice delivers a delicious blend of sweet blackberries with a refreshing icy finish. This unique combination provides a crisp, cool sensation with every puff, making it perfect for those who enjoy fruity flavors with a menthol twist.

## High Puff Count:

Designed to last, the IGET Legend Blackberry Ice offers up to 4000 puffs per device. This high puff count ensures that you can enjoy the rich blackberry and menthol flavor for an extended period without needing a replacement.

## Compact and Portable Design:

The sleek and compact design of the IGET Legend Blackberry Ice makes it easy to carry around. Whether you're on the go or relaxing at home, this device fits comfortably in your hand and pocket.

## Nicotine Strength:

Each IGET Legend Blackberry Ice vape contains 5% (50mg/ml) nicotine, providing a satisfying throat hit that caters to both new and experienced vapers. The nicotine strength is perfect for those looking to satisfy their cravings with a potent yet smooth experience.

## Easy to Use:

The IGET Legend Blackberry Ice is a disposable vape, meaning there's no need for charging or refilling. Simply remove the package and use it. Once you've reached the end of its lifespan, just dispose of it responsibly.

### Long-Lasting Battery:

The device comes equipped with a powerful built-in battery that ensures you can enjoy all 4000 puffs without worrying about recharging. The battery is optimized to provide consistent performance until the last puff.

For those who are looking for a vape that combines convenience with an exceptional flavor experience, the IGET Legend Blackberry Ice is an excellent choice. Visit [Infinity Vape Supply](#) to learn more and purchase your IGET Legend Blackberry Ice today!
