WHAT ARE LIFE STORY FILMS?

[Legacy Movies](#) takes its name from the expertise it acquired producing life story films. These are short films covering your life story — or timelier: the life stories of your parents, grandparents and other aging family members. Our team walks you through every step of the process, including:

- Booking an interview with our experienced film crew
- Completing a pre-filming questionnaire
- Gathering your favorite family photos
- Preparing for your personal filmed interview

Within five short weeks, you receive a real movie that tells the story of your family, complete with interview clips and your favorite photos. Professionally edited and creatively rendered, these films become instant family heirlooms: keepsakes for you and your family for generations.
