

How to Choose The Right Motorcycle Inner Tube?

STEP
01

Size and Fit:

Ensure the inner tube matches the tire size and type specified for your motorcycle. Check the sidewall of your tire for the correct dimensions.

Material Quality:

Opt for inner tubes made from high-grade rubber or synthetic materials for better durability and performance.

STEP
02

Valve Type:

Choose between Schrader (car type) or Presta (bicycle type) valves based on your motorcycle's requirements.
