

BENEFITS OF SILICONE CONVEYOR BELTS

A Silicone Conveyor Belt is a game-changer in industries requiring heat resistance, flexibility, and durability. It ensures smooth material handling in food processing, pharmaceuticals, textiles, and packaging sectors.

HEAT RESISTANCE

Withstands extreme temperatures, perfect for baking and food production.

NON-STICK SURFACE

Prevents material buildup, ensuring smooth product transfer.

OIL & CHEMICAL RESISTANCE

Ideal for pharmaceutical, medical, and industrial applications.

SUPERIOR FLEXIBILITY

Ensures seamless operation in high-speed conveyor systems.

Silicone Conveyor Belt: The Ultimate Solution for High-Performance Conveying

Why Choose a Silicone Conveyor Belt?

A Silicone Conveyor Belt is an ideal choice for industries requiring heat resistance, flexibility, and durability. Shanghai Puteken Transmission System Co., Ltd. specializes in high-quality silicone belts designed for optimal performance across multiple applications.

Key Benefits of Silicone Conveyor Belts

- ◆ Heat & Cold Resistance: Performs efficiently in extreme temperatures, making it perfect for food processing and industrial applications.
- ◆ Non-Stick Surface: Prevents material buildup, ensuring smooth and hygienic transportation.
- ◆ Food-Grade Compliance: Safe for direct food contact, widely used in baking and pharmaceutical industries.
- ◆ High Flexibility & Strength: Resistant to stretching and tearing, ensuring long-lasting durability.
- ◆ Chemical & Moisture Resistance: Ideal for wet and harsh environments, maintaining performance without degradation.
- ◆ Low Friction & Energy Efficient: Reduces wear and energy consumption, enhancing operational efficiency.

Applications of Silicone Conveyor Belts

- ✓ Food Processing (Bakeries, Confectionery, Meat Processing)
- ✓ Pharmaceutical & Medical Industry
- ✓ Textile & Packaging Industry
- ✓ Electronics & High-Tech Manufacturing

Shanghai Puteken Transmission System Co., Ltd. offers premium Silicone Conveyor Belts tailored for various industries. Upgrade your conveyor system today!
