

BLAKE GROUP

STORAGE

TANKS

OVER 80 YEARS OF ENGINEERING EXCELLENCE

STEEL STORAGE TANK DEPARTMENT

We design and make high-quality steel storage tanks in our Edinburgh workshop.

Bunded tanks are BS799 Compliant.

Certified to OFTEC's OFS T200 Standard.

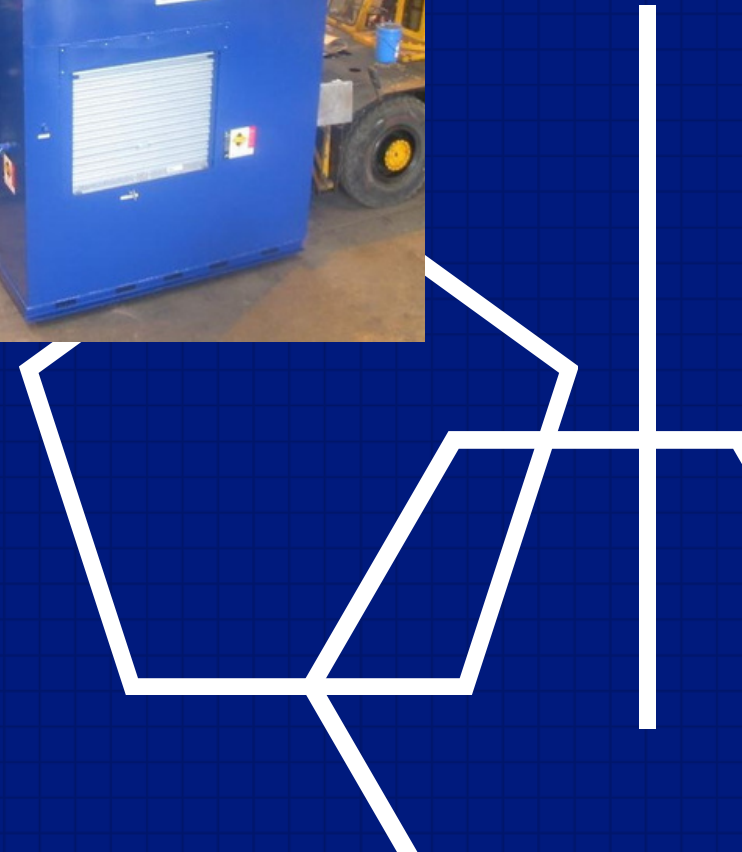

STORAGE TANK PROJECTS

FUEL STORAGE TANK FOR ROLLS ROYCE

Testimony to our high level of skill and quality is Rolls-Royce, a business that only accepts the finest quality manufacturing.

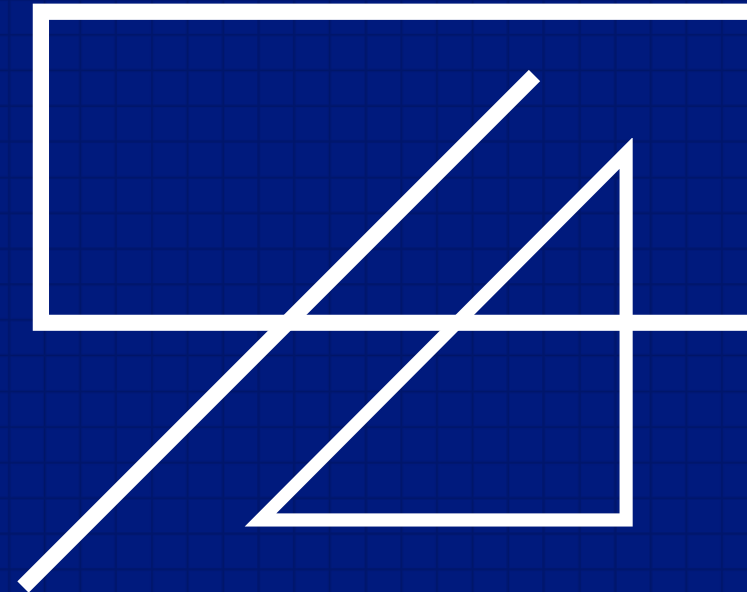

We have been making fuel tanks for Rolls Royce for over 20 years.

BESPOKE TANKS FOR RAF BASE

16 bespoke storage tanks
were made for a RAF Base in
England.

FUEL TANKS FOR CATERPILLAR

Blake Group has been supplying Caterpillar with steel storage tanks since 1998.

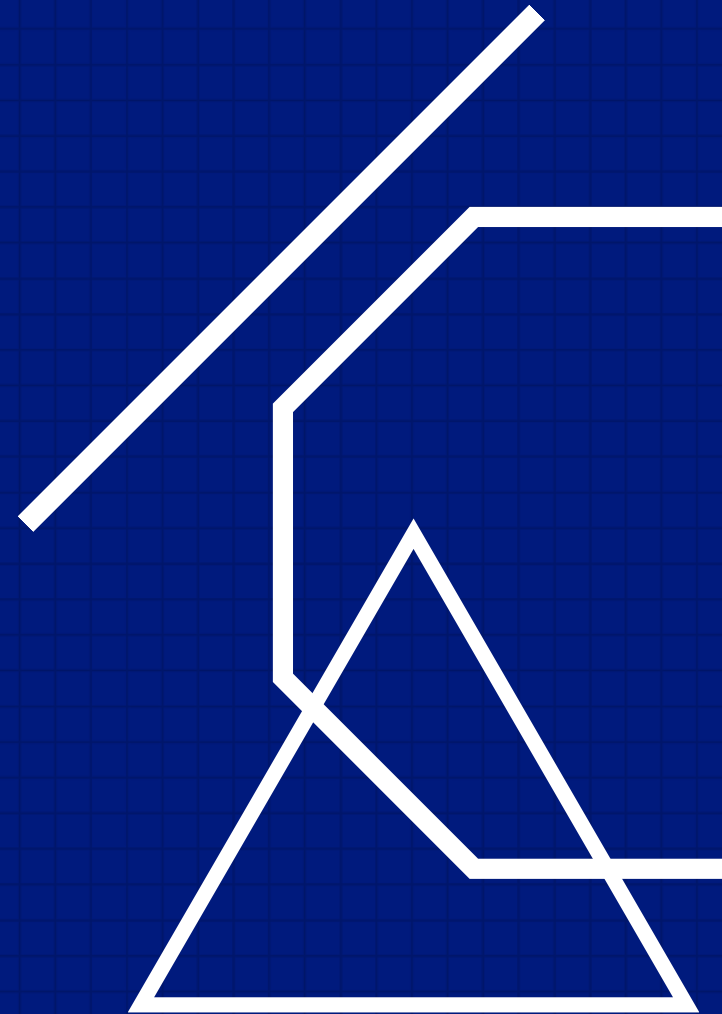

Blake Group has supplied a variety of steel tank storage solutions - water tanks, fuel tanks, tanks for storage of antifreeze and transmission oils.
