Global Reach and Market Expansion

Serving more than 50 countries worldwide, Develo's export footprint spans the United States, Canada, Mexico, Brazil, Peru, Colombia, Germany, France, the Netherlands, Japan, South Korea, Indonesia, Vietnam, South Africa, and beyond. With a daily production capacity of approximately 2,000 units and efficient logistics delivering within 25-35 days, Develo is well-positioned to meet growing international demand for high-quality weighing equipment.

Why Choose Develo as Your Scales Manufacturer Partner?

- **Precision and reliability:** Develo applies strict quality control and uses superior raw materials for each product.
- **Wide product portfolio:** Nearly every category of weighing scale is covered — from kitchen to industrial floor models.
- **Global compliance:** Products certified for CE, CB, and OIML compliance support entry into global markets.
- **Flexibility:** Small-batch orders, custom design, and OEM/ODM services make Develo a partner-friendly manufacturer.
- **Responsive service:** Develo pledges quick replies (within 8 hours) and 24/7 after-sales support.
